### Confirmation of attendance

As supervising professor, I am proud to confirm

*Anastasiia Masiian's*

participation in the Master's level university seminar

*International Projects - Processes & Change Management  
Winter term 2021/2022 (55 German work units)*

This course has trained fundamentals and advanced topics in theoretical modules on

- Strategic and IT-enabled Business Process Management,
- Classical and agile Project Management, and
- Change Management.

In addition, the student has demonstrated the application of skills in a real-world transformation project of a German company a part of an international team of students.
